OFFICIAL REPORTS OF SOCIETIES

IN CHARGE OF

MARY E. THORNTON

ASSOCIATED ALUMNÆ CONVENTION

THE fifth annual convention of the Associated Alumnæ will be held in Chicago on Thursday, Friday, and Saturday, May 1, 2, and 3. The programme in detail will appear in the April issue of the JOURNAL and the various alumnæ societies are asked to send in suggestions for the open discussion to which one session will be devoted. No doubt, the private-duty nurse will have many suggestions, and the Executive Committee asks that these may be sent to the secretary, 143 East Thirty-fifth Street, New York, at least one month previous to the opening of the convention.

MARY E. THORNTON,
Secretary.

ST. LUKE'S NURSES' ALUMNÆ, CHICAGO

THE nurses of the Alumnæ Association of St. Luke's Training-School, Chicago, met on Friday afternoon, January 10, at the hospital for the first lesson in parliamentary law, given by Mrs. Mary Belle Sherman. There was a good attendance, and the nurses were all much interested in the drill work. Actual business of an imaginary deliberative body was transacted, and Mrs. Sherman made the study of the necessary formalities very delightful as well as instructive. An intelligent knowledge of parliamentary law is something each member of any organization should have, and the nurses of St. Luke's anticipate much pleasure in the acquirement of such knowledge. A short business meeting was called after the class was dismissed, and it was decided to omit the regular monthly meetings of the association during the period of Mrs. Sherman's course (which is to consist of ten lessons, class meeting every other week) and, instead, transact any necessary business at the close of the lessons.

THE PHILADELPHIA COUNTY NURSES' ASSOCIATION

ON October 30, 1901, the Alumnæ Association of the University of Pennsylvania Hospital called a meeting of the representative Alumnæ Associations, viz., Pennsylvania, Philadelphia, Presbyterian, and Episcopal, to consider the advisability of forming a Philadelphia County Association. After general discussion it was decided that such an association be formed.

Constitution and by-laws were drafted and officers elected for the first year, consisting of a president, three vice-presidents, secretary, assistant secretary, treasurer, and five councillors.

The object of the association shall be "the union of graduates for mutual help and improvement, the promotion of fellowship among its members, the advancement of the best interests of the nursing profession, and the study of the means calculated to render the nursing profession most useful to the public and subservient to the interests of humanity."

The association held its first regular monthly meeting on Wednesday, January 15, 1902, at the College of Physicians, with sixty-three members enrolled.

After the business meeting Professor Weygandt, of the University of Pennsylvania, gave the first of a series of twelve lectures on the "English Novel."

The second regular monthly meeting of the Philadelphia County Nurses' Association was held February 12. After the formal business transactions an exceptionally instructive talk was given by Miss Palmer on the importance of "Organization and State Registration." Then followed the weekly lecture by Professor Weygandt, of the University of Pennsylvania, subject, "Kipling." The association has sixty-five members, and has every reason to feel encouraged with its progress.

N. M. CASEY,
M. LEWIS,
M. G. ANDERS,
Publication Committee.

EPISCOPAL HOSPITAL NURSES' ALUMNÆ

THE Alumnæ Association of the Training-School for Nurses of the Protestant Episcopal Church Hospital in Philadelphia held its monthly meeting in the Nurses' Home, Tuesday, January 7, at three P.M., the president, Anne S. Haines, in the chair. Twenty-one members were present. Six new members were added to the list, increasing the membership to ninety-two. Final action has not been taken upon the alumnæ pin. Another new design will be submitted at the next meeting.

The chair appointed a Printing and Entertainment Committee. It was regretted that Miss Mary S. Littlefield was unable to be present. Refreshments were served and enjoyed by all.

LOUISA K. FREE,
Journalist for the Alumnæ.

ANNUAL MEETING OF THE FARRAND TRAINING-SCHOOL ALUMNÆ ASSOCIATION, DETROIT

THE annual meeting of the Farrand Training-School Alumnæ Association of Harper Hospital, Detroit, Mich., was held in the library of Swain Home, Wednesday, January 8, 1902. Owing to the absence of the president (Miss Betleys), Miss Carley acted as chairman. Thirteen members answered to roll-call. The minutes of the previous meeting were read and accepted. The minutes of the last annual meeting were read.

The secretary reported as follows:

"Membership: honorary, one; active, eighty-seven; associate, fifty-six; total, one hundred and forty-four.

"Number of meetings held during the year were as follows: regular, eight; executive, eight.

"Literary programmes for 1901 and 1902 were issued in October, and the schedule is as follows: October 2, 'Report of Delegates to Congress of Nurses,' Miss Carley, Miss Young; November 6, 'State Regulations for Quarantine and Burial,' Dr. J. B. Kennedy; December 4, 'Detroit Milk and Drinking-Water Supplies,' Miss Callender; January 1, Annual Meeting; February 5, 'Problems of Public Aid, Charity, and Correction,' Dr. J. A. Post; March 5, 'Our Nurses' Work in Foreign Countries,' Miss Durkee; April 2, 'Causes of, and Remedies for, Pauperism, Poverty, and Crime,' Dr. E. L. Shurly; May 7, 'Michigan Reformatories,' Miss Allister; 'District Nursing,' Miss Gray; June 4, 'Economic Value of Food and General Relation to Special Diseases,' Dr. C. D. Aaron.

"Miss Sadie Young and Miss Minnie Carley represented the association at the International Congress of Nurses held at Buffalo in September.

"Aside from the active interest and the substantial help given the Visiting Nurse Association, Detroit, the members supplied the funds for a substitute, enabling one of the visiting nurses, Miss Sutherland, to spend a month with Miss Wald in the Nurses' Settlement, New York City. Two of the graduates, Miss Betleys and Miss Carle, did the substituting.

"At the June meeting, which was made a social reception to the Visiting Nurse Association and the Grace Hospital Alumnae Association, very interesting and encouraging reports were given by Miss Sutherland on the settlement work in New York, also reports from Miss Smith, Miss Aylesworth, Miss Betleys, and Miss Carle on the district work of Detroit.

"It is my sad office to report the removal by death of one of our members, Miss S. E. Ford, who died in Lakeside Hospital, Cleveland, October 12, 1901. At the November meeting resolutions of sympathy were passed, recorded in the minutes, and a copy sent to the family.

"Respectfully submitted,

"SARAH E. SLY."

The treasurer reported as follows:

"Balance on hand January 1, 1901, three hundred and forty-two dollars and fifty-nine cents; receipts for 1901, five hundred and one dollars and seventy-seven cents; total, eight hundred and forty-four dollars and thirty-six cents; total expenses for 1901, six hundred and forty-four dollars and eighty-five cents; balance on hand January 1, 1902, one hundred and ninety-nine dollars and fifty-one cents.

"The decrease of one hundred and forty-three dollars and eight cents this year, as compared with the balance on hand January 1, 1901, is largely due to the establishment of a general register employing a salaried director, and the unusually heavy sick-benefits. Last year the annual dues were raised to six dollars, with the hope that that would be sufficient to meet all expenses; but this year it was voted to raise the dues to ten dollars, the beneficiary to receive the sick-benefit at the rate of seven dollars per week, from the beginning of illness for a period of six weeks.

"Respectfully submitted,

"SADIE C. YOUNG."

Mr. H. H. Kuhn, in charge of the general register, reported five hundred and thirty-six calls received and accepted during the year.

Ballots for the election of officers for the ensuing year were counted, and the election resulted as follows: President, Miss M. E. Smith, 191 Farnsworth Avenue; first vice-president, Miss S. Young, Harper Hospital; second vice-president, Miss S. E. Sly, 191 Farnsworth Avenue; secretary, Miss Little, 191 Farnsworth Avenue; treasurer, Miss A. McKenzie; Executive Committee—Miss Courtney, 94 Willis Avenue, West; Miss Borden, 94 Willis Avenue, West; Miss Betleys, 290 Kirby Avenue.

MARGARET P. LITTLE,
Secretary.

KINGS COUNTY NURSES' ALUMNÆ

THE annual meeting of the Alumnae Association of the Nurses of Kings County Hospital took place on Monday, January 6. The reports of the secretary and treasurer were read and approved.

The members of the association decided to take a course in parliamentary law, to begin Wednesday, January 29, at four P.M. These will be continued every Wednesday for five sessions.

The following officers were elected for the ensuing year:

President, Miss Isabel Burrows, Kings County Hospital; first vice-president, Miss Beatrice Page; second vice-president, Miss Georgia V. Beall; secretary, Miss Kate Hallanan, 124 State Street, Brooklyn; treasurer, Miss Mary W. Leggatt, 124 State Street, Brooklyn.

K. HALLINAN,
Secretary.

THE INTERNATIONAL COUNCIL OF NURSES

SEVERAL new honorary vice-presidents have been added to the council from countries without national organization among nurses. Miss Amy Turton, the pioneer of reformed nursing in Italy, accepts the post for that country; Miss Milne, of the Launceston Hospital, accepts for Tasmania. Miss Milne writes of her satisfaction in feeling that land and sea do not really separate those united in purpose, and of her hope to work for legislation similar to that of New Zealand. Miss Snively, while still holding the position of treasurer, will also work for the council as honorary vice-president for Canada.

The council is forming a committee to consider preliminary education and to study means of bringing the subject before the public. The committee will be announced when fully formed.

L. L. DOCK,
Secretary.

NEW YORK BELLEVUE ALUMNÆ ASSOCIATION

THE annual business meeting of this association was held at the Training-School on Thursday, January 16. There was an unusually large attendance. The president's, secretary's, and treasurer's reports for 1901 were read. Announcement was made that during the year fifteen new members had been added to the roll; that there had been seven resignations and one death, that of Miss Edith A. Boggs. At the beginning of the meeting a letter was received announcing the death two days previous of another member, Mrs. Hester A. Morse. Mrs. Morse had been ill during the early part of December, but had recovered sufficiently to be present at the December meeting, and it was a great surprise

to learn of her death. The following resolutions but partly express our sorrow at her loss:

"WHEREAS, One of our members, Mrs. Hester A. Morse, has been removed from our midst by death;

"Resolved, That we, the members of the Alumnae of the New York Training-School for Nurses attached to Bellevue Hospital, express our sorrow at the loss of one so loyal and kind; and be it further

"Resolved, That a copy of these resolutions be sent to the family of Mrs. Morse, to THE AMERICAN JOURNAL OF NURSING, and also placed upon the minutes."

Miss Dock said a few earnest words to the members, urging them to attend the meetings of the New York State Nurses' Association, to be held at the Academy of Medicine on the mornings of January 30 and 31, saying that these meetings were to be of the greatest importance in the nursing world, and that each one should take the deepest interest in the business to be transacted there, and have a voice in all matters open for discussion and decision.

THE University of Maryland Alumnae Association held its third annual banquet January 9, 1902, at the Nurses' Club, 21 North Carey Street. The dining-room was beautifully decorated with college flags and ribbons (maroon and black). Table decorations were white carnations and ferns, with red wax-lights in silver candelabra. The dinner was elegantly appointed by Mrs. Aiken (club matron), and was heartily enjoyed by all present. The favors were caps and pennants. Miss S. M. Jones was toastmistress, Miss E. Blight and others responding. Preceding the banquet, a special meeting was held in the large parlors of the club to elect a delegate for the convention which is to be held in Chicago. Miss S. M. Jones was unanimously elected. The rest of the evening was spent in dancing and singing.

THE Alumnae Association of the Cooper Hospital Training-School for Nurses, Camden, N. J., held its regular quarterly meeting January 16, 1902, special meetings having been called November 7 and December 5 for the transaction of business and to arrange for the reception of December 26, 1901. Miss Turner, of Philadelphia, gave a very interesting talk on parliamentary law, the second of a course of lectures to be given this winter. Two new members were welcomed into the alumnae. An amendment was made to the constitution, changing the date of meetings to the first Thursday of every month.

THE Brooklyn Hospital Alumnae Association met at the Training-School, Tuesday, February 4, and was called to order at half-past three by the president. Twenty members were present. It was moved and seconded that a letter be sent to Miss Palmer asking her to address the members of the association at the March meeting. Miss Soulé was appointed to assist the secretary with the annual report. The annual report was then read by the secretary, also the treasurer's report. A letter was read from Miss Tweedale inviting the members of the Alumnae Association and the nurses of the Training-School of the Brooklyn Hospital to attend an illustrated talk by Mrs. J. M. Van Cott at the Hoagland Laboratory, February 4, at eight p.m. The officers for the new year were then elected. Miss Dremie and Miss Haldane were appointed to assist Miss Coleman

in counting the votes. The meeting then adjourned, and a pleasant time was spent by the members in a social chat while enjoying the coffee and cake.

THE Buffalo Nurses' Association met February 3, at three P.M., at the Guard of Honor rooms, 625 Washington Street, for their regular monthly meeting. It was a very cold, stormy day, and there was not a large attendance, but those present were more than satisfied, after venturing out in such a storm. The regular routine business was transacted, and as the yearly election of officers takes place in March, the president, Miss Annie Damer, named the Nominating Committee of three, Mrs. Conrad Diehl, Dr. Jeanette Oliver, and Miss Olivia Moon, who will make out the ballots for officers, which will be sent to each member two weeks before the next meeting. Miss Jane Overton made a suggestion that we now begin to talk over and plan the much-thought-of "nurses' club-room or house." It was received as an excellent suggestion, but it was advised to leave it for the new officers to work upon. A sick-benefit request was received and turned over to the Executive Committee to investigate.

A request was received from an Episcopal hospital in Skagway, Alaska, for an assistant nurse to accompany Miss Clara Carter, a deaconess nurse, who starts for that far-away place this week. Various other reports were received and items of business transacted. At the close of the business meeting Dr. Harvey R. Gaylord, of the State Pathological Laboratory connected with the University of Buffalo, was introduced and gave an extremely interesting, instructive, and able address on "Modern Methods of Anæsthesia and Treatment of Wounds." He is a fluent speaker, and his remarks were rich in facts which will be a great help to nurses in all lines of work. He kindly answered numerous questions, after which a vote of thanks was given him and the meeting adjourned to meet the first Monday in March.

THE second annual meeting of the Alumnae Association of Vassar Brothers' Hospital Training-School for Nurses of Poughkeepsie, N. Y., was held in the hospital library on Tuesday, January 14, at three P.M. The alumnae and nurses in the Training-School listened to a very interesting and helpful talk on "Practical Nursing" by Miss Mary Grace Hills, former superintendent of the Central Maine Hospital, Lewiston, Me., and who is at present doing district nursing in Middletown, Conn.

EMILY K. SHAW,
Secretary.

TORONTO, February 12, 1902.

THE Alumnae Association of the Toronto General Hospital Training-School held its monthly meeting on February 11, at three P.M., the president, Mrs. Paffard, in the chair. The attendance, which has been increasing each meeting during the winter, was fully up to the mark.

The resignation of the secretary, Miss F. E. Sharpe, who has been appointed superintendent of nurses in the Woodstock Hospital, was accepted with regret. Miss Sharpe has been night supervisor in the Toronto General Hospital for four years and secretary of the association since its reorganization in 1898. She has been a most faithful worker in the interests of the association, and it is due in no small degree to her efforts that the society is in its present flourishing condition. Miss Margaret Sutherland, Class of 1901, was appointed her successor.

A most interesting paper on the "Nursing of Typhoid Fever" was then read by Miss E. Gordon, of the Emergency Hospital.

A nurses' registry has been established in Toronto under the management of Mrs. S. G. Macpherson, 110 Carlton Street. It is open to graduates in good standing who have had a general training of at least two years. A committee of six members, appointed annually, is to assist in the management of the registry. The annual fee is five dollars.

JULIA F. STEWART.

THE regular monthly meeting of the Boston and Massachusetts General Hospital Training-School for Nurses was held at the Thayer Gymnasium January 28, at two-thirty P.M., Miss M. E. P. Davis, president, in the chair. There were thirty-seven members present.

The committee appointed to provide courses of instruction reported that arrangements had been completed for a course on business methods, to be given by Mr. Montague Chamberlain, and reported progress in its arrangements for a course on parliamentary law.

It was moved that the chairman of this committee be instructed to invite the Boston City Hospital Alumnae and the Boston Nurses' Club to attend the lectures on business methods and also the coming lectures on parliamentary law.

Miss Florence Rice stated that she had been asked, with three other nurses, to meet a committee of the Nurses' Directory connected with the Medical Library to discuss that society's grievance in regard to the failure of nurses to keep their agreement with the directory. The complaint was that it is becoming increasingly difficult to find registered nurses on call. Sometimes it has been necessary to call upon eighteen nurses before one was found ready to respond. It was voted to discuss the matter of the directory *vs.* the nurses at a later meeting.

The subject of the meeting was then taken up, viz., the "Limitations of the Nurse's Duties in the Care of Male Patients." This topic elicited considerable intelligent discussion, and while it was thought that not all young nurses in training should be asked to perform certain duties for male patients, yet the graduate nurse should not hesitate to relieve suffering whenever it was plainly her duty to do so.

Upon motion of Miss Dolliver, the meeting adjourned for the social half-hour.

EMMA A. ANDERSON,
Secretary.

LONG ISLAND COLLEGE, BROOKLYN, N. Y.

A REGULAR meeting of this alumnae was held at the hospital February 4 at seven-thirty P.M. After the meeting the members adjourned to the Hoagland Laboratory to hear an illustrated talk on the very interesting subject, "Yellowstone Park," by Mrs. J. M. Van Cott, who spoke to a large and appreciative audience. The alumnae societies of the Leney, Kings County, the Brooklyn, the Memorial, and St. Mary's had been invited and were well represented, there being present about two hundred nurses. The views were presented in such a way as to give us a very vivid picture of "Grand Old Yellowstone," and we could hardly realize we were not travelling over the beautiful country with our very interesting guide. We hope in the near future to have again the pleasure of listening to Mrs. Van Cott.

ILLINOIS STATE MEETING

THE Graduate Nurses' Association of the State of Illinois held its third quarterly meeting at the home of its president on Saturday, February 8, at eight P.M. Dr. Lewellys F. Barker, of the University of Chicago, talked informally on State registration for nurses. In closing he advised us to keep up our courage, even should our first attempts at getting a bill through the Legislature fail.

As the positions of first and second vice-president have never been filled, and our treasurer, Miss Mary Ledwidge, having resigned, three new officers were elected: First vice-president, Miss Katherine De Witt, of Illinois Training-School; second vice-president, Miss Mary Racine Brown, of St. Luke's, and treasurer, Miss Matilda L. Johnson, of St. Joseph's.

Miss Fulmer, our president, tendered her resignation, feeling that the time was ripe when we should have a woman with greater prestige at our head. A special meeting has been called for February 17, when a new president will be elected. Eighteen applicants were admitted to membership, making an enrollment of one hundred and eight. A committee was appointed to declare standard, that clause in our by-laws being still an open question. Efforts are being made to learn the size and standing of the different hospitals throughout the State. As the State Board of Health has no such list, the work is slow.

Respectfully submitted,

CAROLINE D. SEIDENSTICKER,

Secretary.

PHILADELPHIA.

THE regular monthly meeting of the Alumnae Association of the nurses of the Episcopal Hospital of Philadelphia was held in the Nurses' Home, February 4, 1902, Annie S. Haines, president, in the chair. The meeting was called to order at three-thirty P.M. After the usual business meeting a motion was made to adjourn, after which a lecture was given on "Operations and Preparation for Same in Private Work," by Dr. Thomas. The association is indebted for the programme to the Entertainment Committee. The pupils in training also attended the lecture.

At the meeting on March 4 the following papers will be read: "Desserts," by Georgeanna Kitchen; "Diet for Typhoids," by Harriet Parker; "Broths," by Louisa K. Free.

THE Nurses' Alumnae Association of the Pennsylvania Hospital held its annual business and social meeting on January 16, 1902, at the Nurses' Home. The meeting was called to order at seven-thirty P.M.

The president, Miss Margaret Montgomery, delivered the annual address. The minutes of the preceding meeting were read and approved. The reports from the standing committees were then called for. These included the Nominating, Visiting, Arrangement, and Auditing Committees. The treasurer then read her report. The society next discussed the ways and means of starting a Beneficial Fund.

It was suggested that the association have a paper—published semi-annually—to contain the reports of meetings and work done and anything of interest concerning its members. After some discussion it was decided by vote to appoint a committee to publish the paper, a copy to be sent to each member. It

was decided to hold business meetings monthly and social meetings quarterly. Three new members were elected.

The officers for the ensuing year are: President, Anna B. Groff; vice-president, Alice M. Garrett; secretary, Charlotte E. Perkins; treasurer, Sara H. Fullom.

The business meeting adjourned. The social meeting which followed was very much enjoyed, the entertainment being progressive games, after which refreshments were served.

ANNIE M. GARRETT,
Vice-President.

A MEETING of the New Jersey State Nurses' Association was held at the Cooper Hospital, Camden, N. J., Wednesday, February 12. Miss Fallon, the president, presided. The report of the Committee on Constitution was received. The proposed constitution was taken up and discussed in sections, which occupied nearly all of the time. The section on membership called forth an interesting discussion. It was finally decided that membership should be on the individual basis. Standing committees were provided for, to be appointed by the president at her leisure. The regular meetings of the association will be held yearly, the first Tuesday in December.

E. FAHRINGER,
Secretary.

MARRIAGES

MRS. LAURA GOLDSMITH, graduate of the Memorial Hospital, Worcester, Mass., was united in marriage to the Rev. H. S. Hoffman, D.D., rector of the Church of Our Redeemer, Philadelphia, on Thursday, January 23, 1902, by Bishop James A. Latané, D.D., presiding bishop of the Reformed Episcopal Church. Mrs. Goldsmith finishes a successful career of institutional nursing work, having occupied positions of responsibility in some of the large and well-known hospitals of the United States. She vacates the position of chief nurse of the Woman's Hospital of Philadelphia, the directors of the institution having at a special meeting adopted a minute expressive of their high appreciation of her efficiency and service of their wishes for her future happiness in her new relations.

OBITUARY

BROOKLYN, January 29, 1902.

Resolved, That we, the members of St. Mary's Alumnae Association, Brooklyn, N. Y., mourn our loss and extend our united and heartfelt sympathies to the bereaved friends and relatives of our sister nurse, Miss Anna McNerny, Dundas, Ontario, Canada, who died of typhoid-fever at St. Mary's Hospital on December 4, 1901.

Her classmates of 1901 deplore the absence of a dear friend and comrade, whose noble work was just begun. Her gentle influence, her loving and tender sympathy, which drew so many friends about her, was felt most deeply when her bright young life had ceased.

Sad as it may seem when viewed by mortal eyes, we must look beyond for comfort, for "what seem to us but sad funeral tapers may be Heaven's distant lamps."

"There is no Death. What seems so is transition;
This life of mortal breath
Is but a suburb of the life Elysian,
Whose portal we call Death."

It is with deep sorrow that the death of Miss Jeannette M. Glasgow is announced. She was a graduate of the Mt. Sinai Training-School for Nurses, Class of '86, and a charter member of its Alumnae Association. For five years she was associated with the City Mission, district nursing among the poor, for which work her thoroughly consistent Christian character peculiarly fitted her; she also spent part of her time in private practice. Her death on January 24, following an illness of only three days, was a severe shock to her many friends.

At a meeting of the Mt. Sinai Alumnae Association, held on February 6, the following resolutions were adopted:

"WHEREAS, Our associate, Miss Jeannette M. Glasgow, has been removed from our midst by death; therefore be it

"Resolved, That we, the members of the Mt. Sinai Alumnae Association, express our appreciation of her many sterling qualities, which endeared her to all with whom she came in contact; and be it further

"Resolved, That a copy of these resolutions be sent to her sister, Dr. Maude Glasgow, printed in the *Trained Nurse* and *Hospital Review* and in THE AMERICAN JOURNAL OF NURSING, and also spread upon the minutes of the association.

"E. B. CHADWICK,

"J. GREENTHAL,

"M. HART,

"Committee."

It is with much regret that we announce the death of Mrs. Charles Bonni-
field, née Mabel Finney. She died of typhoid fever on January 13, 1902, in
Cincinnati, O. Mrs. Bonni-
field graduated from the Methodist Episcopal Hos-
pital, Brooklyn, in 1892, and, having been engaged in private nursing for two
years, was appointed supervisor of her Alma Mater. In 1895 she was appointed
superintendent of Christ Hospital, Cincinnati, and held that position until her
marriage in 1899.

"WHEREAS, It has pleased our Heavenly Father to take her unto Himself;
therefore, be it

"Resolved, That we, the members of the Alumnae Association of the Metho-
dist Episcopal Hospital Training-School, tender our sympathy to her bereaved
husband; and furthermore be it

"Resolved, That a copy of these resolutions be sent to her husband, and
published in THE AMERICAN JOURNAL OF NURSING.

"SUSAN J. REMSEN,

"J. ADELAIDE PRENTIS,

"EDNA COPELAND,

"Committee on Resolutions,

"BROOKLYN, N. Y., February 13."

MISS MARGARET A. McDONALD, a nurse of the Long Island Hospital, Boston
Harbor, died on February 2 of small-pox, contracted in the discharge of her
duties in the small-pox department of that hospital.

MISS MARY BELLE MALLOCK, Class of '01 of the City Hospital, Rochester,
N. Y., died at the hospital on January 20 after a serious operation. Miss Mallock
left the hospital July 1, and had been well and actively engaged in private
nursing until the day of her illness. Her home was in Churchville, N. Y.
